A PERFECT DAY.  
A PERFECT MOMENT.

## ANTICIPATED FOR MONTHS, REMEMBERED FOREVER

It's a day like no other. A day when dreams take flight and you take centre stage. A day you'll want to remember forever.

Nothing captures a moment, a mood or a memory like a photograph. And no-one understands that better than Six Degrees Photography.

Our photographic expertise and warm, personal approach will ensure that the experience of your day is captured just as you remembered it.

Our lives are defined by our memories.

At Six Degrees Photography our goal is to record the special memories of your day so they bring a smile to your face for years to come.

Six Degrees Photography.  
Your day, forever.

Every couple is unique, with their own style and story to tell.

For your wedding photography, you need to know that your photographer understands you and what makes you tick, as individuals and as a couple.

That's why we provide a no-cost personal consultation to help you decide if we're right for you.

When you choose us, we'll take time to get to know you so we can capture your day the way you

want to remember it, forever. Your photos will be a treasured reminder of a perfect day.

Six Degrees Photography take on a limited number of weddings every year to ensure exclusivity and the highest quality of service.

Please don't hesitate to contact us to ensure our availability for your chosen date.
